

TAYLOR PEET

GRAPHICS TECHNOLOGIST

tppeet@engsys.com

As a Graphics Technologist, Taylor Peet has multiple skill sets that allow him to serve the needs of his team and deliver high quality work product to ESi clients.

Prior to joining ESi he worked at Fischer Forensic Engineering where he worked in a similar role producing graphics and animations, delivering cost effective and timely deliverables to clients.

Since joining ESi, Taylor has been expanding his knowledge in demonstrative creation for clients of ESi, focusing on vehicle animations, diagramming, video editing and 3D Printing of Laser Scanned projects.
